

Robbinsdale High School
Class of 1974
July 30, 1994
Sheraton Park Place

Hi Classmates,

Well, our 20th reunion has come and gone. Twenty years may have changed the outer package(some of us more so than others), but we are still eighteen in heart and spirit.

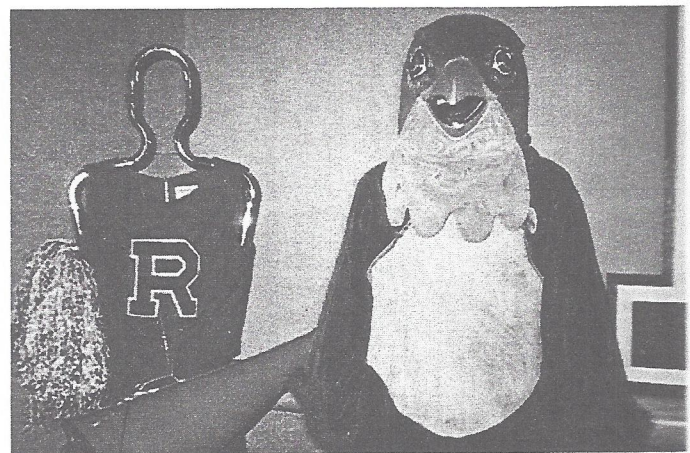

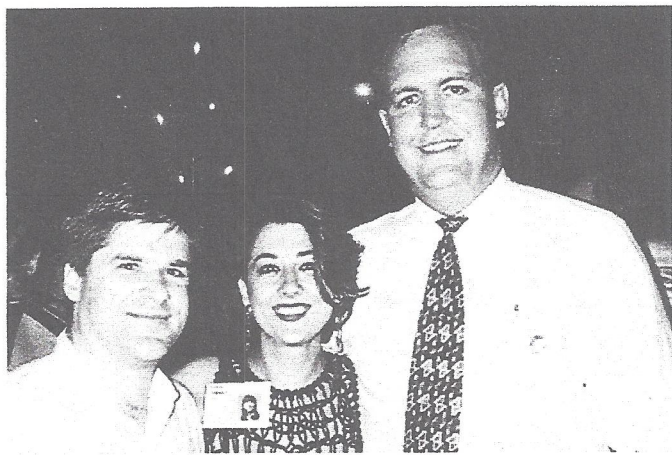

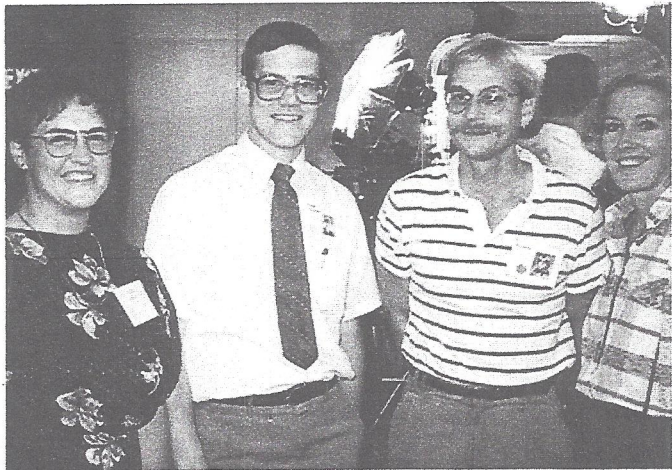

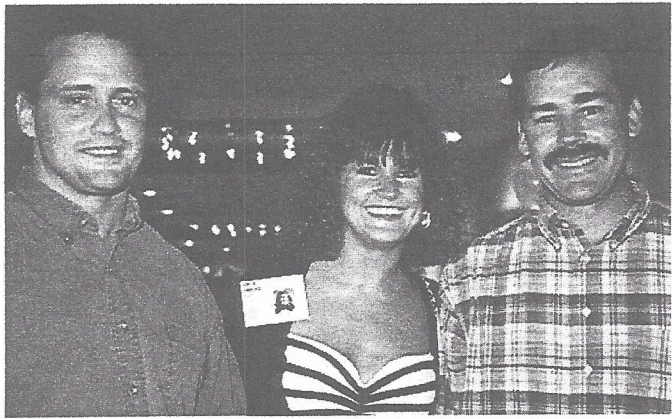

We hope you enjoyed the reunion as much as we enjoyed planning it. Our first meeting was in April of 1993 and for the following sixteen months we met at each others homes, restaurants, and even at good old RHS to work out the details. Being a part of the reunion committee was a wonderful opportunity to renew old friendships, and more importantly, it enabled us to get to know people we never knew in high school. We would like to thank all those who helped with all the various aspects of planning the reunion. We couldn't have gotten everything done without you. We hope for the next reunion more of you will join in the fun of planning the reunion. All are welcome!!!!

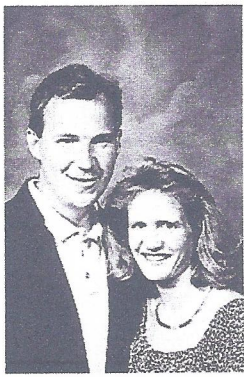

When the big night finally arrived, it seemed to go by so fast. There wasn't enough time to talk to everyone, and we could not be every where at once. We hope this booklet captures some of the fun moments of the evening and shows classmates you may have missed. Over 400 people attended, so it's very possible you did not get a change to talk to everyone you would have liked to.

→ (200 listed in back)

As of now, there are no plans for a 25th reunion, so we hope to see you all for the 30th reunion in 2004.
